TURKEY & SYRIA EARTHQUAKE

Feedback Report 2023

OVERVIEW OF THE WORK DONE BY PENNY APPEAL

OUR IMPACT:

28,000 Hot Meals

Providing hot meals to the survivors of the devastating earthquake is critical as it can provide essential nourishment and comfort during a time of stress and uncertainty.

23,400 Litres of Water

Access to clean bottled water is essential for survival, and many earthquake victims have been left with nothing due to a damaged infrastructure.

600 Hygiene Dignity Kits

Hygiene and dignity kits containing basic toiletries and personal care items will help maintain hygiene and promote dignity.

1000 Blankets

Warm blankets and comfort to those who have lost their homes and residing in temporary shelters.

600 Heating Essentials

Heating essentials such as portable stoves or fuel are helping prevent hypothermia and provide comfort during cold conditions.

FEEDBACK MAP

On February 6th, 2023, Turkey was struck by a 7.8 magnitude earthquake, followed by several other deadly tremors.

Collectively, these earthquakes have caused a catastrophic loss of life, with over 50,000 fatalities, and have left millions of people displaced. The World Health Organisation (WHO) estimates that 23 million individuals have been directly impacted by this tragedy.

We are working with the United Nations World Food Programme (WFP) to provide critical aid to those who continue to be in desperate need.

We are sending out vital aid from the WFP international logistics hub, allowing us to reach even more people in need of help.

Thanks to our donors, we were able to provide a swift and efficient response to this calamity. Our emergency response team have been working tirelessly to provide immediate assistance to the affected communities. Our relief efforts have focused on providing necessities such as food, water, shelter, and medical aid.

Penny Appeal has taken immediate action to provide emergency aid and relief services to those in need. The unwavering efforts of our donors have ensured that the affected communities have received and continue to receive essential provisions such as food, water, shelter, and other necessities, helping to ease their suffering.

The Turkish government and authorities have expressed their gratitude towards Penny Appeal for the relief work carried out in response to the earthquakes. In recognition of our work, our team met with the Governor of Gaziantep to discuss further aid efforts in the affected areas. During the meeting, the Governor of Gaziantep expressed his appreciation for the quick response of the Penny Appeal team and thanked us for our dedication and commitment to providing aid and relief services to those in need.

The meeting was a testament to the care and compassion shown by our donors, the hardwork displayed by the Penny Appeal team, and the support from the local authorities in helping facilitate our distributions. Together, we are working towards our goal of helping as many people as
