# OUR SUPPORT SO FAR

*Updated on 10th October 2022*

Penny Appeal initiated flood response in the last week of July 2022 when the floods hit Balochistan. Currently, Penny Appeal is responding in 16 districts situated in four provinces of the country. Our major response covers clean and safe drinking water, cooked food, food packages, hygiene kits, medical aid, temporary shelters, and non-food essentials, this has comprised of:

**640,600 LITRES** OF  
SAFE DRINKING WATER

**133,800** COOKED MEALS

**2,259 families** have received monthly **food packages**

**2,750 families** have received **hygiene kits**

**5,650** INDIVIDUALS HAVE RECEIVED MEDICAL AID

Over **900 families** have been provided with **shelter**

Hundreds of people have been given **cash grants**

# CURRENT SITUATION IN PAKISTAN

33 million people  
affected

---

806,000 houses  
destroyed

---

84 districts  
declared in calamity

---

1.3 million houses  
damaged

---

1,700 deaths

---

3.5 million acres of  
crops destroyed

---

13,000 injured

---

13,000 kilometres  
of road destroyed

---

1.16 million livestock  
washed away

---

*Figures Updated on 10th October 2022*

As of 9th October 2022, the NDMA reported that 33 Million population is affected and 84 districts (out of a total of 160 districts) of the country are declared a calamity hit by the current floods. 1,700 people including 728 male, 340 female and 632 children have lost their lives whereas around 13 thousand are reported injured. The flood has washed away more than 13 thousand kilo-meter of roads and 436 bridges across the country.

Over 806 thousand houses are totally destroyed, whereas more than 1.3 Million are damaged.

Over 3.5 Million acres of crops are destroyed. Major crops including cotton, rice, dates and vegetable are severely affected. It is important to note that the up-coming wheat crop will not be cultivated as major agricultural land is under water. This situation will significantly affect the food security and economic stability in the near future.

In addition to the above, around 16,000 schools have been damaged by the floods, which will directly affect 3.5 million school-going children. 1460 health facilities across Pakistan are also affected during the devastating floods.

# FLOOD RESPONSE PLAN FOR OCTOBER

Across the coming weeks, we will be working to deliver the below aid to communities most in need across Pakistan:

1 million litres of safe drinking water

50,000 cooked meals

10,000 shelters

Monthly distributions of food packages

11,000 hygiene kits

10,000 non perishable food items

Family sanitation services

Medical aid

Livestock fodder

10 temporary learning centres

pennyappeal

 PENNYAPPEAL.ORG

 03000 11 11 11

Penny Appeal was founded in 2009 by entrepreneur and philanthropist Adeem Younis. Following the loss of his father at the tender age of six, Adeem felt extremely passionate about helping orphan children and channelling his pain and suffering into something positive. He then started his mission of supporting orphans across Sohawa in Pakistan, this was his late father's hometown, and it was here that Penny Appeal was born.

Since its inception Penny Appeal has provided over £10 million (2,567,858,411 Pakistani Rupee) worth of aid to the people of Pakistan in the form of emergency support, orphan sponsorships, education programmes, food and water relief, women's welfare programmes, eyesight support and lots more.
