Which collection (s) do you wish to join? (location & date)

How many people joining collection:

I have my own buckets & T-shirts (These will not be provided on the day, and must be ordered via the challenges merchandise link beforehand. Order at least two weeks prior to collection date, to avoid missing out).

For other street collection opportunities in Ramadan, we recommend to collect the day before Eid in areas such as

- Green Street – London
- Ilford Lane – London
- South Hall – London
- Bury Park – Luton
- Lady Pool Road – Birmingham
- other areas where people will be shopping for Eid

Top tips:

- Visit shops and book a stall space outside the store (book two - three weeks before Eid)
- Sell cakes, sweets or even savory snacks
- Hold a Henna stall, there will be hundreds of people visiting to have their henna done
- Hand out balloons
- Use your bucket to collect extra donations
