YOU ARE
THE HEART OF
THE FASTEST
GROWING MUSLIM
CHARITY

10 years ago Penny Appeal began!

You are part of the fastest growing Muslim charity in the UK.

Together we've lifted people out of poverty, provided clean, safe water to whole villages, helped orphans get educations and grannies be cared for. We've built schools and mosques. We've protected women and children from abuse and helped entire communities prosper.

→ Thank you ←

Since our first distribution in Syria, 2011, we've provided 7,048,000 meals to people in 32 countries around the world, Alhamdulillah.

From providing emergency food packs in desperate situations, to bringing communities together with group Iftar and Suhoor during Ramadan, to our sustainable programmes like the Rooftop Gardens project in Palestine – we are committed to feeding our world.

Meet Afaf; a 37-year-old mother-of-eight living inside a Palestinian refugee camp.

When Afaf's husband fell ill, he could no longer work to support their family, and Afaf feared for their lives – how was she going to feed her children alone?

Well, Afaf got involved in Penny Appeal's Rooftop Gardens – a new kind of social project where women are trained in gardening so they can grow their own crops.

Four short months later, Afaf was able to feed her family AND sell over 45kg of organic vegetables to surrounding families.

You've provided over
7 MILLION
meals

“ I actually don't know what would have happened to my family without the generous support of Penny Appeal donors. ” - Afaf

We started in 2012 and we've been at every major natural and man-made disaster ever since, helping those in desperate need. When Haiti was gripped by an earthquake, when Grenfell burned, when bombs hit Gaza, when Syria and Yemen collapsed into conflicts... your donations helped protect lives.

You've

protect...

1.7 MILLION
Lives

Deep inside Syria and Yemen, in Gaza and Iraq, you have reached into the most desperate, dark situations and helped us shine a light. In the last 10 years, we've become one of the fastest and most effective responders to the affects of natural disasters, war and discrimination.

Over 700,000 Rohingya refugees have fled Myanmar, and many of these are living in squalid refugee camps in Bangladesh. As well as providing essential food, water solutions and emergency shelter, we've also opened Child Friendly Spaces, where hundreds of children can come to learn, overcome trauma and just be kids.

Thank you for helping hundreds of Rohingya children who have seen horrors and been forced to flee their homes, to find community, normality and... well, fun!

We've received an amazing 51,706 orphan sponsorships! That's education which means futures, meals that mean children not going hungry and safe homes so children aren't at risk of harm. Thanks to your amazing 51,706 orphan sponsorships, we've made sure that orphans don't have to go without. Every sponsorship helps provide nutritious meals, clothes, healthcare, an education and a dedicated guardian – all in a loving and caring home.

To break the poverty cycle, we need to be smart and resourceful, so we are developing more and more projects that last longer and ultimately get people out of poverty – for good.

Giving Sadaqah through sustainable projects can be as simple as planting olive trees in Palestine (which we've done!), which will provide for families for generations. Or, it can be completely innovative – like our solar powered power station and water supply schemes, which provides running water to 1,500 people, 1,000 livestock and local mosques and schools too!

“He is not one of us who does not show mercy to our young ones and esteem to our elderly.” (At-Tirmidhi and Ahmad)

Their lives have been transformed by your kindness, as they experience everything they need in their later years – from nutritious meals to healthcare. We want every older person to enjoy the quality care they deserve, no matter where they come from.

So every single
penny goes to
those in need!

We at Penny Appeal are proud to have a 100% Zakat policy! That means every single penny of your Zakat donation goes directly to those who need it most 100% of the time – giving you 100% of the reward. Zakat is an incredible pillar of Islam that has the potential to end world poverty. So let's make it count!

Team Orange is a group of amazing individuals committed to making radical change in our world (including you)! Whether you've kindly donated, pushed yourself to do a Challenge, attended one of our amazing events or even followed us on social media... you are a crucial part of Team Orange, and you are making a BIG difference!

Our community is one of the most caring and generous we could imagine. From the kind individuals sponsoring orphans and grannies over the span of a decade, to the UK mosques who have collected thousands to build mosques around the world, to the family and friends of Bashir Osman, who helped continue his amazing legacy after he passed away, by raising almost £170,000 to build wells in East Africa.

FEEDING

Charity begins at home. There's so much to do, right here on our doorstep – that's why we arrange tea parties to keep older people company, feed the homeless, support survivors of domestic abuse, act as first responders in times of crisis such as Grenfell, as well as joining with Imams from around the country to create an Islamic Guide to Adoption and Fostering, funded by the Department of Education, which we later presented to the House of Commons.

Homelessness has been on the rise for 8 years running in the UK. For the last 10 years, we've helped support soup kitchens, community centres, churches and mosques alike to feed the homeless and give life-saving Winter Kits to those in desperate need – all with your help.
