Your Zakat & Sadaqah in Action – Ramadan 2025

Last Ramadan, your Zakat and Sadaqah transformed countless lives, **Alhamdulillah**.

Through your generosity, families were fed, clean water flowed into vulnerable communities, children returned to learning, orphans were protected, and dignity was restored, long after Ramadan ended.

This is the impact of your giving in Ramadan 2025.

And this year, with your continued support, we can reach even more lives.

A Trust Fulfilled

At Penny Appeal UK, we recognise that Ramadan giving is a sacred trust. Every Zakat and Sadaqah donation received in Ramadan 2025 was handled with care, responsibility, and strict adherence to Islamic principles.

This feedback report shares how your generosity was delivered — and the difference it continues to make today.

"...whoever saves a life, it is as if they have saved all of humanity."
(Qur'an 5:32)

This verse guides everything we do.

How Your Zakat & Sadaqah Were Delivered

Your donations in Ramadan 2025 were channelled into programmes designed to meet urgent needs while laying foundations for long-term resilience.

Feeding Families with Dignity

Zakat and Sadaqah helped deliver vital food aid to families facing hunger due to poverty, conflict, and displacement — ensuring no household was left without sustenance during or after Ramadan.

Clean Water, Lasting Change

Communities without safe water gained access to clean, reliable sources — reducing illness, improving hygiene, and freeing children from long daily walks so they could return to school.

Education that Breaks Cycles

Children at risk of dropping out were supported with education, resources, and stability — helping protect their future and reduce long-term poverty.

Protecting Orphans

Orphaned children received care, education, healthcare, and emotional support — giving them safety today and opportunity for tomorrow.

Strengthening Communities through Mosques

Mosque projects supported spaces of worship, learning, and unity, acting as anchors for spiritual and community life.

Impact That Continued Beyond Ramadan

Ramadan marked the beginning- not the end-of impact.

Your generosity continues to deliver results through:

- Water systems serving communities daily
- Education programmes keeping children learning year-round
- Livelihood and resilience projects reducing dependency
- Community-led models ensuring sustainability and care

This is how your Ramadan giving continues to change lives long after the blessed month.

This Ramadan, the Need Continues

As we enter this Ramadan, families around the world continue to face hunger, displacement, and hardship.

But so does opportunity.

With your help this Ramadan, we can:

- Reach more families with food and essentials
- Provide clean water to more communities
- Support more children into education
- Protect more orphans
- Build lasting solutions rooted in dignity and faith

**Last Ramadan, you made impact possible.
This Ramadan, you can help us do even more.**

Be Part of the Next Chapter of Impact

Your Zakat and Sadaqah are more than donations, they are lifelines.

Together, let us continue turning small acts of generosity into lasting change, ensuring no one is forgotten and every life is valued.

Thank you for trusting Penny Appeal with your Ramadan giving.
