

PALESTINE EMERGENCY RESPONSE YEAR -TO-DATE IMPACT REPORT 2026

Your generosity in action.
Lives restored. Dignity
protected. Hope renewed.

YOUR ZAKAT & SADAQAH IN ACTION

Since October 2023, we have delivered life-saving aid that transformed countless lives in Palestine, Alhamdulillah.

Thanks to your support, families facing the unthinkable have been fed, clean drinking water has been provided to those stranded in crowded displacement camps, injured children received life-saving medical care, and human dignity was protected all thanks to your generosity.

This feedback report shares exactly how your kindness and donations have been delivered on the ground, and the life-saving difference it continues to make today.

A TRUST FULFILLED

At Penny Appeal, we recognise that your life saving donations are a sacred trust (Amanah). Every single donation received for our Palestine Emergency appeal has been handled with the utmost care, responsibility, and strict adherence to Islamic principles.

Your selfless giving embodies this sacred truth. Like a single seed planted with pure intention, thanks to your support, your kind generosity has blossomed on the ground, growing into an infinite harvest of relief, warmth, and life for our brothers and sisters who needed it most.

The likeness of those who spend their wealth in the way of Allah is as the likeness of a grain that grows seven ears, in every ear a hundred grains. And Allah multiplies for whom He wills.

(Qur'an 2:261)

WALKING WITH THE PEOPLE: HOW YOUR RELIEF WAS DELIVERED

Your incredible support allowed us to deliver on-the-ground interventions that do not just offer short-term relief but actively protect the dignity and pride of every recipient.

KEEPING KITCHENS AND BAKERIES ALIVE

Instead of just giving dry supplies that families have no way to cook, your generosity fuelled our **Community Kitchen Grid**. This included distributing over **12,000 warm iftar meals** and **188 specialised food packs during Ramadan 2026 alone**. Across Gaza, your support also help fund over **24,000 fresh loaves of bread (1,600kg)** and **1,100 tins of baby formula milk**, ensuring that even the tiniest babies were protected from the brink of starvation. Better yet, we hired local Palestinian cooks and helpers, putting fair wages back into the community, so parents could support their little ones with pride.

QUENCHING A BITTER THIRST

Water is a fundamental right, yet families in displacement camps face a brutal daily struggle just to find a single drop.

Your kindness deployed large-scale water relief, sending **10 major water tankers** in our early responses and a massive **950,000 litres of clean drinking water** directly into the overcrowded tent communities.

Because of your support, clean drinking water flowed straight to children who desperately needed protection from severe waterborne illnesses.

HEALING THE BROKEN AND RESTORING MOBILITY

The healthcare system in Palestine, is under devastating strain, your selfless giving has stepped right into the gap to preserve human life. Beyond funding **120 emergency operations** for trauma victims, your donations secured vital medical aid packages and surgical consumables. Furthermore, for our brothers and sisters who have lost their mobility due to injuries, our team is currently on the ground distributing **150 specialised wheelchairs** to give them back their movement and independence.

The background of the entire page is a stylized illustration. It features a large, vibrant orange and yellow sunset sky with several black birds in flight. In the foreground, the Palestinian flag, with its horizontal stripes of black, white, and green, and a red triangle at the bottom, is shown waving on a green flagpole. The flagpole is secured with red ribbons. Behind the flag, a cityscape of dark, multi-story buildings is depicted, many of which appear to be in ruins or under construction, with some windows missing and structures crumbling. The overall mood is one of resilience and hope amidst conflict.
